Statement	Strongly Agree	Agree	Disagree	Strongly Disagree	No Opinion
I was well informed about the ministries and mission work in the community with which Oak Grove Presbyterian Church is involved.					
I enjoyed hearing the testimonials of members of Oak Grove and how our church has affected their lives and their faith.					
I felt excited to be a part of Oak Grove and excited to contribute financially to the continuing mission of Oak Grove Presbyterian Church.					
I feel that the church has done a good job of managing the funds it is given, and found important causes to support.					
I enjoy coming to Oak Grove, but I don't feel motivated to support the church financially.					
I think that there are ministries that are not being given the financial priority that is needed, and the Session needs to address these needs.					
I am not aware of how our money is being spent, or I am not aware of how to find out how Oak Grove is spending the money it receives in the offering.
