

Oak Grove Presbyterian Church
Green Committee Meeting Minutes for June 7, 2018

Attending: Sunny Snyder, John Crampton, Eric Jensen, Al Frechette

Excused: Bob Gerdes, Pdon Pinkham, Frank Bliss, Jane Propsom, Doodee Backstrom, Jacques Chasse, and Andrew Snyder, Erin and Jack Anderson Wenz.

Sunny opened the meeting at 7:00 P.M. With prayer offered.

The minutes from May 3 were approved.

Eric asked what he could do to continue to help the committee. John suggested calculating what we would need to do to offset our carbon footprint for our natural gas use. He also said Eric could assist us to be able to monitor our carbon impact. Sunny suggested we have a conversation on things Eric could do with our committee. John said he would like to see how we could demonstrate how our solar electricity through our onsite panels and solar garden help offset our natural gas use. Eric suggested we could create opportunities to engage folks. Eric will come back to our meeting in July with suggestions related to natural gas impacts.

John reported that Brandon Charboneau with All Energy Solar was pursuing the credits and working on issues related to property insurance. John will make sure Brandon gets what he needs from the church.

There was discussion about liturgists for the June 17 worship service, which will focus on environmental issues. John said he had prepared a list of our accomplishments for the bulletin insert.

Sunny reported that the chemical free lawn care signs had arrived and would be available for members on June 17.

There was discussion about enhancing our committee's webpage with information to help members. John suggested [Earth 911](#) as a good site to link to.

John suggested that our committee investigate options for a green landscaping plan including retaining a consultant for help.

The meeting adjourned at 7:44 PM.

Respectfully submitted
