

AUGUST YOUTH NEWS

We had a memorable week of fun, learning, service & fellowship at the end of June working partnering with Service Learning Camps and local Twin Cities churches and organizations.

Here are some highlights from our time together!

For I was hungry and you gave me something to eat...

"We fed 46 kids a year at FMSC and packed over 250 meals for Loaves & Fishes." - Cassie

I was thirsty and you gave me something to drink...

"We raised awareness about pollution in the rivers by spray painting 'Be careful, this drains to the river' next to the drains in St. Paul." - Matthew

I needed clothes and you clothed me..

"The thrift store told us about what they do to help the community, and we got to sort clothes and find some cool things." - Allan

Truly I tell you, whatever you did for the least of these, you did for me. (Matthew 25)

Even though it was a lot of work, it was a lot of fun. All of the people we met were kind and super interesting. Of course we did help a lot of people, but there is more work to do. All of the places we went and the people we helped still have a long way to go. - Natalie
